NIC's Art Event this Saturday

If you are looking for something to do that is totally out of the ordinary, plan to attend North Island College's spring **Art Event**, which will be held on Saturday, March 6th from 7:00 – 11:00 pm in the Shadbolt Studios, Comox Valley campus.

Twice a year, the North Island College Fine Arts Department students, with the support of the community, put on a gallery show known as the Art Event. This event reveals an always impressive collection of work by the Fine Arts students including paintings, sculptures, ceramics, photography, prints and more, and offers a valuable opportunity for students to simultaneously share their work with each other and the community.

Discover the creative talents of a new generation of artists at NIC's Art Event.

This year's event will also feature live music performed by the Comox Valley's own Luke Blu Guthrie.

Refreshments and snacks will also be provided. Admission to the Art Event is by donation and the event is open to people of all ages. For information about the Art Event, contact Shelley Hanson at artevent@live.ca.
