

**Information Sheet
FLO 010 – Forklift Operator Training**

Forklift Operator Training

Every employer is required by law to protect the safety of his or her employees. Through this course your operators will receive thorough training that meets or exceeds all WorkSafeBC and CSA regulations and standards. Each student will be evaluated and those able to demonstrate a minimum level of operational competence receive an Ives & Associates document of successful program completion.

Location: Campbell River, Main Campus, 1685 South Dogwood St.
Port Alberni, Tebo Vocational Centre

Day/Time/Fee Sat, 8:00 – 4:30 pm, \$275

Instructor: Darrell Block – CR, Ray Caron – PA

Prerequisite: 16 years old, must have or have had a Driver's License

Please Note: Unique conditions specific to the equipment and/or working environment encountered by operators may require that employers provide additional training and evaluation where appropriate.

Steel-toed boots are required.

Please bring a packed lunch and beverage.
