

# Campbell River Campus Expansion

August 9, 2018

Welcome back to the Campbell River campus expansion update — your source for key information on safety, milestones, photos and status updates at NIC's growing Campbell River campus. For more information, contact [christiana.wiens@nic.bc.ca](mailto:christiana.wiens@nic.bc.ca).

## WHAT'S NEW THIS WEEK

The student lounge area near Liz's coffee shop will be blocked off in preparation for demolition. Students will be able to buy coffee and snacks in the corridor, but the seating will be unavailable during construction. The main cafeteria is still available for student use.

### Commuting to campus under your own power?

NIC staff and students can now take advantage of new shower facilities in the E-Wing addition, Rooms E241, 242, 244, 245 and 246. Mens, womens and wheelchair accessible showers are now open. Lockers and towel hooks are on order and should arrive shortly.

## STATUS UPDATE

The Campbell River campus is busy preparing for September and many support services have moved this summer. We've welcomed the Office of Global Engagement team who have offices in A222. In addition, the bookstore and library have moved to the new addition in E-wing, and rumour has it, work on a new bike shelter may begins near the bus loop this week.

**Library & Learning Commons:** Expect more noise and vibration as jackhammering continues as workers cut into the old library floor to make way for new washrooms and structural columns. We apologize for any inconvenience this may cause.

**Timberline Trades Building:** Setup continues for computer lab, green room, digital hackerspace, trades workshops and more ongoing to prepare for students in September.

**Trades/Aquaculture Building:** Home to new showers, washrooms, the campus library and bookstore.
