

NORTH ISLAND COLLEGE
Foundation

2013 SCHOLARSHIPS & BURSARIES

In 2012, over 300 students received NIC Foundation awards totalling over \$220,000 to help pay for college.

Established in 1991, the North Island College Foundation is a non-profit organization dedicated to supporting North Island College in its task to provide the skills and knowledge students need for successful employment and further education. The Foundation's primary objective is to provide student scholarships and bursaries, as well as operating equipment and educational resources.

Governed by a volunteer Board of Directors, made up of community leaders from the College region, the Foundation actively seeks donations for the College. Through the continued support of individuals, local businesses, and organizations, which are committed to assisting students, these efforts are realized.

Individuals and businesses are invited to share in the vision of North Island College by making a meaningful contribution to a bright future for our students.

If you would like to learn more about the North Island College Foundation please call (250) 334-5000 ext. 4267 or visit our website at www.nic.bc.ca.

NIC FOUNDATION AWARDS ~ HOW TO BE SUCCESSFUL

USING THIS BOOKLET

- Don't be overwhelmed by the number of awards in this booklet. To make it as simple as possible they've been separated into sections relevant to program area and campus location and then further by awards for entering students and continuing and graduating students.
- Get out a pen and a highlighter. Read through the awards and their criteria specific to your program, your campus as well as the awards under the General heading which apply to everyone. Make notes as you go and highlight any key eligibility requirements that you may want to address in the personal information section of the application.
- Use the glossary of terms located in the back of the booklet if you come across anything you are unsure of.
- If at any point you have questions about the criteria, the process or what category you fall into, do not hesitate to call or email the Foundation at **250-334-5000 x 4267** or **foundation@nic.bc.ca**.

APPLICATION INSTRUCTIONS

- The Application Form is located on the NIC website at **www.nic.bc.ca/awards/apply.aspx**
- Applications must be received by **April 30, 2013**
- Scan through the online application and gather your resources before you begin.
- Review the Award criteria carefully. **You will only be considered for awards for which you are eligible.**
- **Check all Awards that you wish to apply for. You may apply for multiple awards using one application.**
- Do some research and think through your costs and budget to make an accurate estimate of your income and expenses.
- Take the time to describe your financial need and responsibilities in the *Additional Financial Information* section.
- Take the time to expand on your personal circumstances in the *Personal Information* section.
The selection committee can only consider your circumstances if they are explained clearly.
- An application is considered to be incomplete without an attached copy of your transcript. Continuing students may request an electronic copy of their transcript from Student Services.
- An application is considered to be incomplete if the application fields are not ALL filled in.
- **Incomplete applications will not be considered by the selection committee.**
- If at any point you have questions about the information required on the application or the process, do not hesitate to call or email the Foundation at **250-334-5000 x 4267** or **foundation@nic.bc.ca**.

WHAT IS THE DIFFERENCE?

Scholarships

Scholarships are funds awarded to students for academic achievement. **Unless otherwise noted, scholarships are awarded to full-time students taking a minimum 24 credits.

Bursaries

Bursaries are funds designed to assist students who demonstrate financial need. Students must meet specific eligibility criteria and must submit an application. Please refer to the application instructions in this booklet.

Scholarships and bursaries must be used in the year they are awarded, and in most cases, awards will be applied to tuition fees for entering and continuing students.

NORTH ISLAND COLLEGE FINANCIAL AID

We'll help

We know that paying for an education can be tough. Our Financial Aid Advisors can help you plan and budget for your college experience. They can also work with you to complete student loan applications and explore financial aid options you may not have thought about, such as scholarships, bursaries or study grants.

GLOSSARY OF TERMS

51

Entering

Alberni-Clayoquot Innovation Society Bursary

2 awards of \$1130

This award is available to a student enrolling in any full-time program at North Island College's Port Alberni campus. Students applying for this award must have demonstrated financial need.

Andrea W Rowe Entrance Bursary

\$445

This entrance award has been established to assist a female student entering her first year of any program of study at North Island College. The recipient will be enrolled in at least a 60% course load at the Comox Valley campus. Preference will be given to students who have attended any Adult Basic Education program at North Island College.

Buckley Family Award

\$245

This entrance award is available to a serving or retired member of the Canadian Forces or a family member of Canadian Forces personnel, who is pursuing post-secondary education in any field of study. The recipient must plan to attend North Island College on a full-time basis and demonstrate financial need. Involvement in volunteer activities or community service will also be considered.

Canadian Daughters' Provincial Bursary

\$610

This entrance award is available to a mature student returning to North Island College's Comox Valley campus to pursue an education, or upgrade training in any field of study. The recipient must be attending on a full-time basis, must be a Canadian citizen and have a demonstrated financial need. Preference will be given to a Canadian Daughter, or a relative of a Canadian Daughter.

Creative Employment Access Society Bursary

\$500

This award is available to a mature student who will be attending North Island College and lives in the Comox Valley. The recipient can be participating in any program at North Island College, but preference will be given to a student who is pursuing training for a new career, or re-training in an existing field. The recipient must have been out of school for at least one year.

Credit Union Foundation of BC Bursary

2 awards of \$500

These bursaries will be awarded to students entering or continuing studies in academic, technical or vocational programs at North Island College. Students who might otherwise have difficulty completing their studies by reason of financial hardship are eligible for this bursary.

Entering

BC Hydro Scholarship

\$1275

This Scholarship is available to a student entering or continuing, on a full-time basis in any trade, apprenticeship or technical program at North Island College. The recipient may be a recent high school graduate or an individual pursuing re-training in anticipation of returning to the workforce. The recipient will demonstrate a strong aptitude for a career in the trades, as well as clearly defined career goals. Applicants may wish to submit two letters of reference from former teachers and/or employers in support of their application.

Board of Governors Bursary

\$350

The recipient of this bursary may be a trades student entering North Island College for the first time or a student continuing at NIC. To be eligible for this award the student must demonstrate financial need. Preference will be given to students who have been actively involved in volunteer activities or community service.

Courtenay Rotary Trades Bursary

\$165

This award is available to an entering or continuing student in any Trades program on the Comox Valley campus. The recipient must have demonstrated financial need.

Hard Hats & High Heels Gala Legacy Award

\$790

This award was established to support students who are pursuing education in the Trades Training and Apprenticeship programs at North Island College. The recipient can be a full or part-time student entering or continuing and must have demonstrated financial need. Volunteer activity and community involvement will also be considered.

Henry & Barbara Holden Bursary

\$175

This award was created in honour of Henry and Barbara Holden and is available to a student entering any trades program at North Island College. The recipient must have a demonstrated financial need.

Kiwanis Club of Port Alberni - Egon Matheson Scholarship

\$225

This entrance scholarship is named in memory of Egon Matheson, a longtime Kiwanis Club member and respected Port Alberni community citizen and business man. Egon came to Canada in 1957 and began his career as an automotive mechanic. In 1976, he and his brother-in-law purchased Port Machine Works, a move that took Egon back to his roots in Denmark, where his family has operated a blacksmith and machine shop since 1911. Egon Matheson believed very strongly in supporting students in trades programs such as automotive and welding. He would have been very proud of this scholarship. This scholarship is available to North Island College students enrolling in the Automotive Services Technician Foundation program in even numbered years and to students enrolling in the Welding program in odd numbered years. The recipient must be a resident of Port Alberni and be attending the Port Alberni campus.

Lazo Women's Institute Entrance Bursary

2 awards of \$905

These entrance awards, created by the Lazo Women's Institute are available to full or part-time students entering a career, technical, or vocational program of eight months or longer duration at North Island College's Comox Valley or Campbell River campuses. The recipients must reside within School District No. 71 (Comox Valley), and be Canadian citizens. Students applying for this award must have a demonstrated financial need. Preference will be given to a member, or a relative of a member, of the BC Women's Institute.

Marianne Muir Entrance Bursary

\$750

This bursary is available to a male student entering the Carpentry program at North Island College's Comox Valley campus. The recipient must have demonstrated financial need.

Michael Pallan Memorial Scholarship

2 awards of \$1120

The Michael Pallan Memorial Scholarship, established by his parents BR (Tom) Pallan and Kulwant (Koko) Pallan, has been created as a tribute to their loving and gentle youngest son Michael. Michael was a knowledgeable and experienced commercial fisherman who was always prepared to offer help to his fellow fishermen as the need arose. These entrance scholarships have been provided to support students from Campbell River enrolling at NIC's Campbell River campus. Two scholarships are for students enrolling in a trade or vocational program and two scholarships are available for students entering the university studies program. The recipients must have clear career goals and be attending on a full-time basis.

Minerva Foundation/Truck Loggers Association Award for BC Women **3 awards of \$1500**

These awards are available to either entering or continuing female residents of BC who are enrolled in the Woodland Harvesting program at North Island College. The award will be granted on the basis of academic proficiency and demonstrated financial need in addition to one or more of the following criteria: single mothers advancing their education, mature women retraining in anticipation of returning to the workforce after a long absence; women pursuing education in non-traditional fields of study; and women who have overcome exceptional challenges and educational barriers.

Pythian Order Career, Technical & Vocational Program Bursary **5 awards of \$790**

Created by the Knights of Pythias #64 and the Pythian Sisters #7, these entrance bursaries are available to students enrolling at North Island College in a career, technical, or vocational program at the Comox Valley or Campbell River campuses. The recipients must have demonstrated financial need, maintained an above average academic standing, and be attending on a full or part-time basis. Preference may be given to a relative of the Pythians.

Rotary Club of Port Alberni Bursary **3 awards of \$500**

These entrance awards are available to North Island College students who are Port Alberni residents attending the Port Alberni campus. The first award is for a student entering the Welding program. The second award is for a student entering the Automotive Services Technician Foundation program. The third award is for a student entering the Joinery/Cabinetmaking Foundation program.

Terry & Phyllis Ryan Trades Bursary **\$945**

This award, established to provide incentive and support to students as they begin their trades or technical training is available to a student entering a full-time trades or technical program at North Island College. The recipient, a Comox Valley resident, must have a demonstrated financial need. Preference will be given to a GP Vanier Secondary School graduate who is pursuing a career in robotics.

Tim Fletcher Memorial Bursary **\$695**

This entrance bursary, created through the generosity of Tim's family and friends is available to a North Island College student enrolling in the automotive program at the Port Alberni campus. The recipient must reside in Port Alberni and have a demonstrated financial need.

Vancouver Island Real Estate Board/Real Estate Foundation of BC Bursary **3 awards of \$1095**

This award has been established by the Vancouver Island Real Estate Board and the Real Estate Foundation of BC to financially support the educational dreams of North Island College students, allowing them to build a solid future for themselves and their northern Vancouver Island communities. Three bursaries will be awarded annually to students attending North Island College in the areas of Business Administration and construction-related trades and apprenticeship training.

William Lloyd "Bud" Colbow Award **3 awards of \$2000**

These awards are available to full-time students pursuing an education in the sciences or trades with a goal of working in the fields of Agriculture or Forestry. Two bursaries will be awarded based on financial need to residents of the Comox Valley entering their first year at North Island College while one scholarship will be granted based on academic achievement to a NIC student continuing their studies.

Continuing or Graduating

It is available to a full or part-time student who has completed the Fine Arts Diploma and is doing independent study in ceramics at the Comox Valley campus. The recipient will have completed at least three semesters of ceramics during their Fine Arts Diploma program. Applicants must have demonstrated financial need and maintained a satisfactory academic standing.

John Anderson McLean Memorial Bursary**\$820**

These bursaries will be awarded to a mature student enrolled in any full or part-time program at Comox Valley campus. Preference will be given to a single parent who is pursuing further education and training.

Keith Wagner Memorial Scholarship***\$1020**

The recipient of this award will be a Comox Valley student who has completed first year English in the preceding term and who has successfully completed at least two other first year University Transfer courses. The scholarship will be awarded on the basis of the highest grades achieved in the first year English course. First year English shall be understood to mean courses in composition and literature that have transfer credit with the universities in BC.

Lazo Women's Institute Scholarship**2 awards of \$905**

These scholarships, created by the Lazo Women's Institute are available to continuing full-time or part time North Island College University Studies students who have demonstrated academic excellence. The recipients must reside within School District No. 71 (Comox Valley), be a Canadian citizen, and be attending North Island College's Comox Valley or Campbell River campuses. The scholarships will be applied to tuition fees upon registration. Preference will be given to a member, or a relative of a member, of the BC Women's Institute.

Leslie and Rosina Ball Memorial Scholarship***\$615**

The recipient of this scholarship will be a continuing, full-time student who has maintained the highest academic standing in the Collaborative Nursing program at the end of the first year. The recipient must be enrolling in the second year of the Collaborative Nursing program at the Comox Valley campus and be a Comox Valley resident and graduate of School District #71. The scholarship will be applied to the student's tuition account for the second year of study.

Martha Akerly Bursary**\$380**

This award, created by the Comox Valley Potters' Club in memory of Martha Akerly and the generosity and inspiration she modelled, is available to a full or part-time student who has completed the first year of the Fine Arts Diploma program. The recipient of this award must be enrolled in the second year of the program, specializing in ceramics, at the Comox Valley campus. Students applying for this award must have demonstrated financial need and maintained a satisfactory academic standing.

Ray Gailloux Memorial Bursary**\$400**

The Ray Gailloux Memorial Bursary has been established by family and friends as a tribute to a man who inspired learning in all of his students and was a patron of the arts. Ray was passionate about education over his thirty year career as an educator and was a great supporter of the Comox Valley Potters. This bursary will be awarded to a North Island College student entering the second year of the Fine Arts program at the Comox Valley campus. The recipient will be enrolled on a full-time basis and will demonstrate financial need. The award will be applied to tuition upon registration.

Retired Teachers' Association Bursary**\$1435**

First preference for this award is to be a graduating second year Comox Valley campus student proceeding into a university teacher training program. If there are no candidates available, the criterion is to be expanded to include first year students, and then to include the entire College region. It is to be awarded on the basis of financial need, citizenship and scholastic ability.

Rotary Club of Courtenay - Vancouver Foundation Scholarship**\$2000**

The Vancouver Foundation, on behalf of The Robert & Florence Filberg Fund, in conjunction with the Rotary Club of Courtenay, offers this scholarship to a full-time continuing student at the Comox Valley campus of North Island College. The selection criteria include: a high caliber of academic work and extracurricular contributions to the College and their community. Upon receipt of the successful student's certificate of registration for their next year of studies, the Vancouver Foundation will issue the funds to be applied to the recipient's tuition.

Royal Purple of Canada Lodge 158 Bursary**\$500**

This \$500 bursary will be awarded to a full-time student enrolled in the Nursing program at North Island College's Comox Valley campus. The student must have demonstrated financial need and have maintained a satisfactory academic standing in their first year of study. Upon registration, in the second year of the Nursing program, the funds will be released as a credit to the student's tuition.

Soroptimist International Club of Courtenay Bursary**10 awards of \$500**

These awards are available to Comox Valley students who are continuing their studies at the Comox Valley campus in the following semester. Recipients must be enrolled with a minimum of a 60% course load and must have maintained a satisfactory academic standing. Students in academic, technical, and vocational programs, who have a demonstrated financial need, are encouraged to apply. Preference will be given to women. The bursary will be released and applied to the recipient's tuition upon registration. Soroptimist International Club of Courtenay continues to support students at North Island College by sponsoring awards funded through affiliation with BC Lotteries.

Susan Diana Crossley Bursary**\$390**

This award, created in memory of Susan Diana Crossley and her love of children, is available to a full or part-time student who has completed the first year of the Early Childhood Care and Education Diploma program at the Comox Valley campus. Preference will be given to a student enrolling in the second year of the program, specializing in Special Needs or Under Three's, and secondly, to someone who has contributed to the community through volunteer work. Applicants must have demonstrated financial need and have maintained a high academic standing.

Terry and Phyllis Ryan Humanities Bursary**2 awards of \$945**

This award, established to provide incentive and support to students as they move through their post-secondary education is available to a continuing full or part-time North Island College student. The recipient, a Comox Valley resident, must have completed at least one semester of study and be continuing their studies at the Comox Valley campus. The student must have a demonstrated financial need. The award will be applied to tuition upon registration.

Preference will be given to a member, or a relative of a member, of the BC Women's Institute.

Lyndon Cross Memorial Bursary

2 awards of \$2000

The Lyndon Cross Memorial Bursary, established by his family and friends, as a tribute to their husband and son, brother, father and friend who, as a social worker in Campbell River, had a profound impact on children in the care of Youth Protection Services and their foster families. Lyndon was determined to see children in care excel and make positive changes in their lives. Lyndon was always proud to attend the graduation ceremonies of "his" kids and to see them receive their high school diplomas. He made a difference in their lives and gave them hope that they could make a better life for themselves through education. The Lyndon Cross Memorial Bursary is available to young adults from the Campbell River region, who have previously been or are currently in the foster care system. To be eligible, you must have graduated from high school and be enrolling at North Island College on a full-time basis in the program area of your choice. Applicants must submit an application, including a short essay describing who you are, your personal goals and aspirations, and how this bursary will assist you in achieving your goals.

GLOSSARY OF TERMS

60% Course Load

Typically three, three credit courses per semester; also considered full-time studies at North Island College.

Academic Program

A program of study, usually involving theoretical knowledge and research, and usually leading to a diploma, associate degree or bachelor's degree.

Associate Degree in Arts

Associate degree is the completion of 60 credits of study, which is approximately 20 courses. Students can complete the first two years of a Bachelor of Arts degree at North Island College by obtaining their Associate Degree in Arts.

Associate Degree in Science

Associate degree is the completion of 60 credits of study, which is approximately 20 courses. Students can complete the first two years of a Bachelor of Science degree at North Island College by obtaining their Associate Degree in Science.

Associated Study

Student registered in Communications, Journalism or associated study. In this context, associated study refers to a student taking courses with topics that are related to this field or that prepare the student for employment in that particular field.

Career Program

A program of study designed to equip a student with the skills and general educational background needed for employment in a specific field, (e.g. Early Childhood Care & Education, Health Care Assistant, Practical Nursing, Tourism).

Communications

Study and/or employment relating to the principles of transmitting information and the methods by which it is delivered as in print or radio or television (e.g. English, Journalism, Creative Writing).

Continuing Student

A continuing student has completed a term or semester of courses and is eligible to register in courses the following semester.

Credit Program

A credit is the value assigned to a course. For example, many NIC courses are valued at 3 credits. Credit programs require the completion of a certain number of credits/courses to graduate from the program.

Entrance

Refers to the status of a student who is attending courses at North Island College for the first time.

Environmental Sciences

North Island College offers an Associate of Science Degree / University Transfer Science (60 credits) which can be applied towards completing an Environmental Sciences degree and a career in the field. Jobs include: Environmental Protection, Conservation and Preservation of Natural Resources and Environmental Education, Communication and Research.

Field of Computing Technology

Study and or employment in the activity of designing, constructing and programming computers. Computer courses at NIC can be located under CPS - Info Tech & Computing Science and IMG - Interactive Media.

Fine Arts

The study and creation of visual works of art. Subjects range from photography and digital visual art to sculpture and ceramics. Students at NIC can take a Bachelor of Fine Arts Degree, Fine Arts Diploma, Professional Photography Certificate, Interactive Media (Advanced Communication Design Diploma, Communication Design Diploma, Web Design Certificate, Web Design Diploma).

Full-Time

Enrolment in at least a 60% course load for program of studies; typically three, 3-credit courses (nine credits per semester).

Graduating Student

A graduating student is currently enrolled in a program and will graduate within the upcoming term.

Industrial Training Program

A program of study, that adheres to the Industrial Training Authority guidelines, that provides students with specific training for a select profession. Typically there are different levels a student must reach before receiving a final designation. For example, a Red Seal ticketed Electrician must successfully complete 4 levels of study before achieving a Red Seal ticket in the electrical trade.

Mature Student

23 years or older in the calendar year at the time of registration.

New

A student who has never attended NIC previously; A student who has not attended NIC for 5 or more years; A student who has taken upgrading courses only (ABE level) and who has been admitted to a post secondary program at NIC. Does not include students beginning a 'new' post secondary program (e.g. transferring from Fine Arts to Science).

North Island College Student

A student who is paying tuition to North Island College.

Nursing Program

Bachelor of Science in Nursing Degree, Practical Nursing.

Part-Time

Enrolment in less than 60% course load for program of studies. Less than three, three credit courses (less than nine credits per semester).

Program

A program is a defined plan of studies that may result in a certificate, diploma or degree.

Registered student

Has paid a tuition deposit and will be registered in program.

Science Program

Associate of Science Degree; Bachelor of Science Prep; Dental Hygiene Prep; Kinesiology Prep; Medical Prep; Pharmacy Prep; First Year Engineering.

Social Sciences

Social science uses the scientific method to explore aspects of human society and development, such as anthropology, criminology, economics, geography, political science, psychology, sociology, and women's studies.

Technical Program

A program of study that directly develops a student's expertise in a particular group of techniques or technology; Also referred to as a Vocational Program (e.g. Drafting, Electronics).

Trades Program

Programs at North Island College include: Aircraft Structures; Drafting; Electronics; Welding; Metal Fabrication; Automotive Service; Carpentry; Electrical; Heavy Duty & Commercial Mechanics; Joinery/Cabinetmaking; Millwright; Plumbing & Pipefitting.

University Level Course

University Studies courses are listed as 100 (first year), 200 (second year), 300 (third year) and 400 (fourth year) course levels.

University Level Studies

At North Island College University Studies can be for personal interest or used to TRANSFER in part or in full to other institutions and can be applied towards diplomas, associate degrees, or bachelor's degrees at NIC and beyond.

Vocational Program

A program of study that provides specific training directly related to a particular job; Also referred to as a Technical Program, (e.g. Drafting, Electronics, Culinary Arts).
