

Vocational Centre, 2780 Vigar Road

Information Sheet for
FOR – 012 Fire Suppression

S – 100 Fire Suppression & Safety

This S-100 Basic Fire Suppression and Safety training is a forest industry shortened Ministry of Forestry course, which gives workers the basic knowledge of wildland fire dynamics and associated dangers. The course focuses on fire-fighter safety and contains two sections, classroom presentations and exam and outside hands-on equipment deployment exercises utilizing the components of a typical industry water delivery system.

Location: Campbell River Vocational Centre, Vigar Rd.

Instructor: Henry Grierson

Time/Fee 8:00 – 4:30 pm, \$240

Prerequisite: N/A

Please Note: Students will be required to sign a waiver. Field exercise requires a vehicle and students should have weather appropriate clothing.
Exam on Day 2
Please bring a packed lunch and beverage.
