

# How to Register

## STEP ONE

On the Youth Academy summer camps web page, find the camp options for your location under the heading **Summer Camp Schedule**.

## STEP TWO

Click on the camp you would like to register in. Next you may be prompted to select from a number of sections of a camp. Double check the dates for your preferred camp/section.

## STEP THREE

Select the camp by checking the box on the left hand side and hitting "submit".

## STEP FOUR

Please register your child's name and birth date as the buyer. Each child requires their own unique ID number. Your adult ID number cannot be used.

*If your child has an NIC ID number from previous participation in summer camps, please use that ID when you register them.*

## STEP FIVE

Please pay with accepted online payment methods, such as major credit card. A receipt will be emailed to the address provided on the registration form.
