Official Transcripts:

Submit high school transcripts and any transcripts from other post-secondary institutions you have attended.

- Current high school students **must** submit official high school transcripts via the Ministry of Education Student Transcripts Services (STS), providing NIC permission to access your electronic transcripts for one (1) year from the order date, AND the Self-Reporting Grade Form.
- Students currently enrolled in Adult Basic Education upgrading courses must submit proof of enrolment (official transcripts) *and* the Self-Reporting Grade Form.
 - Self-Reporting Grade Form *exception*:
 - If you have already met any of the Academic admission pre-requisites (Biology, Chemistry, English and Math) and you plan on retaking the course to gain a higher grade you *cannot* self-report.
 - If your Science Academic admission pre-requisites (Biology and/or Chemistry) are *not* within the last 10 years, you must submit the Self-Reporting Grade Form.

Documentation must be received by the deadline date of Monday, February 14, 2022

Transfer Credit:

Apply for transfer credit for any pre-requisites courses or non-nursing electives you have taken at a different post-secondary institution. We **cannot** consider courses taken at a different post-secondary institution in our selective entry process *until* you apply for transfer credit.
