

# NORTH ISLAND COLLEGE

---

## BYLAW NO. 4, 2022

---

### DOMESTIC TUITION AND FEE BYLAW

---

This bylaw establishes principles for a sustainable tuition fee model for courses and programs. Under the *College and Institute Act*, the Board of Governors is responsible for approving tuition fees.

North Island College will take into consideration the following principles when setting Tuition and Fees:

#### **Principles:**

Tuition and Fees are the students' contribution to the overall costs of instructional courses and programs including materials and supplies used in the course delivery.

In setting Tuition and Fees, the following factors will be taken into account: the Mission and Values of the College, program duration and operating costs, available provincial funding for the program, and tuition and fees for comparable programming at other BC institutions.

Tuition and Fees for courses and programs that do not receive provincial funding will be set at a level that covers the full cost of the course or program, including a contribution to the operation of support services.

Programs which require specialized supplies or facilities may have fees levied to cover those additional costs.

Tuition and Fees for programs offered in partnership with other post-secondary institutions will be established with the partner institution(s).

The Tuition fee model will strive for simplicity.

Proposed Tuition and Fees for new programs will be brought forward to the Board as part of the credential approval process.

Tuition and Fees will comply with the Province of British Columbia's Tuition Limit Policy.

#### **Scope:**

This bylaw applies to domestic tuition and lab and supply fees for:

- All courses and programs that lead to a credential;
- Department of Accessible Learning (DAL) courses and programs.

THE BOARD OF GOVERNORS OF NORTH ISLAND COLLEGE IN OPEN MEETING ASSEMBLED ENACTS AS FOLLOWS:

1. This bylaw shall be known and may be cited as Bylaw No. 4, 2022, "Domestic Tuition and Fee Bylaw".
2. Tuition and fees payable by students (international students excluded) to North Island College shall be those set out in Schedules "A" and "B" attached hereto.

3. Tuition and fees will be communicated to students by inclusion in the College Calendar and by posting on the College Website.
4. This bylaw will be reviewed at least once per year.

Approved the 25<sup>th</sup> day of NOVEMBER 2021.

  
Chair, Board of Governors

  
Executive Assistant, Board of Governors
