In the 2022-23 academic year, **most courses are only offered in one term** as indicated in the chart above. Courses marked with an asterisk (\*) are offered in both fall and winter terms. Courses marked with (s) may also be offered in the spring term (May – August); please consult the [Course Catalogue](#).

Carefully consider prerequisites when planning your schedule. It is your responsibility to ensure you have met course prerequisites. Courses without prerequisites can be taken in any year but the progression outlined above is recommended.

This program can be taken on a reduced course per term or part-time basis. [Contact an educational advisor](#) to discuss further options.
