I understand and agree that the information contained in this Host Family Questionnaire may be used by North Island College (NIC) in selecting a student for my family. The information relating to my family's home address, telephone number, email address, number of children and whether we have a pet may be disclosed by NIC to the student(s) selected by NIC to stay with my family. I also understand that a requirement of becoming a host family is that each adult living in the home provide a criminal record check.

I have read the Host Accommodations Handbook and Host Family Agreement on the NICI website.

I am aware that I will be required to sign the Host family Agreement, which states that I understand my responsibilities while hosting an international student.
