HSW Letter of Intent

Students enter the different programs in the Human Services Department for various reasons. In approximately 300 words share your reasons for coming into the program and career goals upon completion of the program (i.e. to find employment in the school district as an EACSW, to continue on with a degree program upon completion of the SS diploma).

Agreement to Confirm the Expectations of the Human Services Program

I have read and understood the contents of this document and agree to comply with the expectations outlined.
