

SELF-REPORTING GRADE FORM

Bachelor of Science in Nursing Program

This option is available for students who are applying to the Bachelor of Science in Nursing program for September 2019 and are currently enrolled in prerequisite courses that will be completed prior to June 30, 2019. Completed forms and proof of enrolment must be received by North Island College by February 25, 2019.

1. **Estimate your final percentage.** To the best of your ability, estimate the final percentage you feel you will complete the course with. (All admission offers based on self-reported grades will be made conditional to successful completion and final grades received. **Offers may be rescinded** if grades are not accurately reflected within a maximum of 5% reported).
2. **Provide Official Transcripts.** Every course you list on the self-report form must show on your official transcripts. If you are doing courses through Distance Education, you must also provide those transcripts. Self-report forms incomplete, or received without transcripts, will not be processed.
3. **Return this form** to the admissions office as soon as possible. Forms will not be accepted after February 25, 2019.
4. **Submit a final Transcript.** Within **3 weeks** of completing the courses listed below, you must submit another official transcript showing final grades. (BC highschool students must complete the Post-Secondary Institutions Selections form to allow the Ministry of Education to send final grades directly to NIC once available).
